by

Officials and Judiciary of the States of the United States

(See [Below](#) For Some Cases of Judicial Misconduct Across the US)

in Violation of:

the States' own and federal Laws and Constitutions,
the United Nations Conventions and Treaties, to wit

in contravention of every norm of human rights, decency and morality.

("Civilized" Re-Defined)

*"The [above] matter [of atrocities, Due Process Violations, criminal
and fraudulent activities] is before the United States Congress".*

(Authorized Statement)

"The limits of tyrants are prescribed by the endurance of those whom they oppose."

(Frederick Douglass, 1817-1895)

*"As long as the government is perceived as working for the benefit of the children, the people will
happily endure almost any curtailment of liberty and almost any deprivation. "*

(Mein Kampf, Adolf Hitler)

Compare with US' deliberate, unconstitutional and criminal destruction of families!

*"That it is the view of the United States that States Party to the Covenant should wherever possible
refrain from imposing any restrictions or limitations on the exercise of the rights recognized and protected by the
Covenant, even when such restrictions and limitations are permissible under the terms of the Covenant. For the
United States, article 5, paragraph 2, which provides that fundamental human rights existing in any State Party m
not be diminished ".*

*"The United States declares that it will continue to adhere to the requirements and constraints of its Constitutio
respect to all such restrictions and limitations. (3) That the United States declares that the right referred to in arti

**Anatomy of U.S.' Systematic Judicial & Official Corruption, Abuse and Human Rights Atrocities Upon
Children and Their Parents**

Simply Stated:

USA TITLE IV-D MODEL – “ CASH for KIDS ” SCANDAL

Abuse and Injustice : “Voice for all Children” : Whistleblower.

We are seeking and demanding that Perpetrators of such Criminal Misconduct and Human Rights atrocities be prosecuted. To this end, we are gathering *verified* affidavits and evidentiary documentation and records of such atrocities perpetrated by the judiciary and officials in ALL the 50 States of the United States for submission to US federal and International bodies for investigation, law enforcement and prosecution purposes. You are cordially invited, indeed urged to *submit* your affidavit regarding your case.

In the US, every year multitude of children are kidnapped by the State courts, in conspiracy with county prosecutors and higher state judiciaries, and given to one parent (overwhelmingly to females) in order to collect extortion "incentive" kickback money (\$Billions annually) from the willingly defrauded and colluding federal government (social engineering). In a vast majority of these cases, the children are abused and suffer, with the knowledge, acquiescence and often participation of the said judiciary, from "Stockholm Syndrome" due to perpetration of "Parental Alienation" in "Hostile [and unlawful] Custody Environment" just so that the states, their courts, judiciaries and county prosecutors get their share of the kidnap "incentive" money, i.e. extortion money under Title IV-D (42 U.S.C. 651, et seq.).

For a greater understanding and in non-legal language, read this cold (without the individual

drama and heartache of the hundreds of thousands of lives, families and children it has destroyed), detailed and illuminating [Title IV-D account](#) ("MONEY IS THE ROOT OF ALL EVIL", by Paul M. Clements, July 2008) and links to official figures and [evidence](#) of the institutionalized fraud and deception nationwide indicating the depth of shame, disgrace, moral depravity and bankruptcy and criminality the United States knowingly and deliberately has sunk to for greed and control upon fathers, mothers and their children using "mothers" as its tool of implementation of such criminal and human rights atrocity against families under its jurisdiction.

The [conclusion](#) has to be that if you have family and value your children and their future, do NOT come to live in the United States, where in pursuit of the New World Order, the Family (the fabric of society) is deliberately and systematically destroyed by its corrupt federal and states' governments!

IS YOUR CHILD NEXT TO BE [KIDNAPPED](#) FROM YOU and/or YOUR RIGHTS VIOLATED BY THE STATE AND ITS COURTS, AIDED AND ABETTED BY US FEDERAL GOVERNMENT, ITS COURTS AND AGENCIES, FOR PROFIT ???

"No country -- certainly not the United States -- is free of corruption, and no country should lecture others on how to eliminate it."

"I remain convinced that there is no more important area in the fight against corruption than the challenge for us within the law enforcement and justice sectors to keep our own houses clean."

"Corruption in the agencies charged with enforcing our laws not only threatens communities by allowing dangerous criminals to roam free, it also undermines the confidence of our citizens in law enforcement and the criminal justice system. The same is true with respect to judicial corruption. We must all, in our own countries, lead the fight to ensure integrity within our police and judicial systems. The same is true with respect to judicial corruption."

"We must all, in our own countries, lead the fight to ensure integrity within our police and judicial systems."

"I turn now to the third dimension of corruption: the moral dimension. In the end, we must acknowledge morality is an essential foundation of law. Governments are reflective of the societies they serve. Even with strong law enforcement and preventive measures, there will still be those tempted by corruption, and those willing to corrupt. We must come to a recognition, personally and culturally, that corruption is not just a violation of law, not just an economic disadvantage, and not merely a political problem, but that it is morally wrong. "

(John D. Ashcroft, United States Attorney General
Himself One of the Worst Violators of Civil Rights and the Constitution
in [remarks](#) to the Second Global Forum on Fighting Corruption)

“THE ONE GREAT PRINCIPLE OF [THE] LAW IS TO MAKE BUSINESS FOR ITSELF.”

(Charles Dickens, Bleak House)

The [projects](#) and actions herein for redress are applicable to ALL States, their judiciary and officials as well as those federal courts with appropriate and relevant modifications ([Contact](#) Dr. Sanjari). Everyone is invited and encouraged to [submit](#) any and all misconduct by ALL States' and federal judiciary and officials for documentation herein.

It simply indicates the hypocrisy of the judicial
